

Democracy Under Fire?!

Roundtable Discussion

Consensus building and parliamentary democracies were yesterday! - Moderate and illiberate autocrats are praised as saviors of current crises in a highly complex world.

We will discuss whether this is true and whether people turned their backs on democracy. How do Trump's and others' populist 'movements' stand opposed to the millions that go to the streets to fight for more accountability, transparency, and democracy around the world?

Panelists:

Dr. Daniel Warner

(DCAF, Switzerland)

Dr. Karolina Podstawa

(University of Lodz, Poland)

Junior Prof. Dr. Solveig Richter

(Willy Brandt School, Germany)

Moderation:

Dr. Anja Mihr

(Willy Brandt School, Germany)

Public Guest Lecture
Thursday, June 1, 2017

18:00 – 20:00 hrs

LG4, Room D08
University of Erfurt
